

Thank you for your commitment to recycling!

We sincerely appreciate your generous donation of recyclable materials. Your contribution is a valuable step towards the preservation of our environment.

To facilitate the collection process, we ask that you sort the materials into green bags. This will help us separate and collect the different types of materials more efficiently.

Once you've organized your donations, we invite you to visit your nearest recycling collection center. You can find the location most convenient for you by calling our customer service center at 202-555-0128. We are available to answer your questions or concerns Monday through Saturday, from 9 a.m. to 10 p.m.

Once again, we thank you for your dedication to the cause of recycling and look forward to your continued support in the future.

Together we make the world a greener place!

Sincerely yours,

Green wave
